## Incident Review Policy

Following three suspensions from Neal Recreation Center, a patron will be placed on Incident Review status. A parent/guardian will be notified by letter of this infraction.

Results of being placed under Incident Review:

- 1.) A patron's suspension will double with each incident following the patron's placement on Review status. For example, typical suspension for fighting is two weeks. Once placed on Incident Review, suspension for fighting would be four weeks, then for another offense it would be six weeks, eight weeks for the third offense fighting, and so on.
- 2.) If member continues to violate Neal Recreation Center rules and regulations, a parent/guardian must set up a meeting with a Neal Rec Supervisor prior to their child's return to NRC.

Patrons may be placed under Incident Review without three suspensions if supervisory staff deems it necessary.

All NRC employees have full authority to enforce all facility rules and correct any observed wrongdoing. The NRC reserves the right to deny entry of individuals into its center should these individuals choose not to follow the rules of the facility.

These rules and regulations may be changed at any time by NRC staff to ensure the safety and well-being of the customers of the facility.
